Financial Assistance Summary Notice

Hutchinson Regional Medical Center offers income based Financial Aid for all patients who are legal US Citizens.

To obtain financial aid, each patient or patient representative, must first obtain an application from the hospital website or requesting an application from the Financial Services department.

The application must be returned to the Financial Services department at Hutchinson Regional Medical Center with the necessary income information required for processing (ie: 3 most recent pay stubs or social security award letters, most recent bank statement, most recent tax return and/or food stamp assistance letter)

Applications are reviewed by the Financial Aid committee weekly.

The committee will mail a letter to each patient or authorized representative, advising them of the application status.
